RE: Main Street Telephone Company  
Docket No. T-03613A-98-0456

DOCKETED BY	Jm
-------------	----

Dear Mr. Crocker:

On August 12, 1998, Main Street Telephone Company filed an application for a CC&N to provide intrastate telecommunications in the State of Arizona. Please disregard the data request dated November 28, 2000, from Staff in which fair value information was requested. Staff does not require a response to that letter.

After speaking with the Applicant's legal representative, Staff agrees to give a **30 day** extension on filing updated financial information. The information we have is dated December 31, 1998.

This information must be received by Docket Control within **30 days** of the date of this letter. Please mail an original plus 10 copies to: Docket Control, Arizona Corporation Commission, 1200 W. Washington Street, Phoenix, AZ 85007-2927. If no response is received, Staff may recommend that the application be terminated. If the application is terminated, the Applicant cannot provide the same telecommunications services in Arizona for which it is currently applying, until such time as a new application is filed with and approved by the Commission.

Remember that information submitted for a CC&N will be made a part of the public record (including financial statements). Any information designated as confidential will not be accepted by Docket Control. If you have any questions, please contact me at (602) 542-0742. Thank you for your prompt response to this request.

Respectfully,

Marta Kalleberg
